

## Press Release

### Baumer hhs establishes subsidiary in Spain

**Krefeld, 17 February 2016 – With effect from 1 March 2016, Baumer hhs will be establishing a new subsidiary in Spain. Baumer hhs Sistemas de Aplicación de Adhesivos, S.L.U. will be based in Constanti, near Tarragona. The new company's General Manager will be Vicent Martinez Gil, who will at the same time continue to support Baumer hhs customers in the Levante in his capacity as Regional Sales Manager. Urbano Alvarez Touzon will remain the Regional Sales Manager responsible for Western Spain and Portugal. Under the management of sales and application specialists Vicent Martinez and Urbano Alvarez, Baumer hhs has already been providing its customers on the Iberian Peninsula with direct support on the topics of gluing, quality assurance and camera verification systems since October 2014.**

"Users have great confidence in Baumer hhs products and our team, especially including customers on the Portuguese and Spanish markets. That's why we decided to take the next step by setting up a subsidiary in Constanti. It's intended to be a clear sign that we're improving our customer proximity in Portugal and Spain even further," says Detlef Engling, Managing Director of Baumer hhs GmbH, based in Krefeld/Germany, commenting on the new subsidiary of the internationally operating manufacturer of industrial gluing systems and sensor- and/or camera-based quality assurance systems.

So, customers on the Iberian Peninsula will now have a direct point of contact in Spain, where they can place orders for systems and spare parts by e-mail at [sales.es@baumerhhs.com](mailto:sales.es@baumerhhs.com), by telephone on +34 977 524586, by fax on +34 977 524688, or by post at Baumer hhs Sistemas de Aplicación de Adhesivos, S.L.U., Avda. Europa, Isla 17, Parcela 2, Nave N<sup>o</sup> 5, Pol. Ind. Constanti, 43120 Constanti (Tarragona).

## Baumer hhs GmbH

Baumer hhs GmbH, Krefeld/Germany, is a leading, internationally operating manufacturer of industrial gluing systems, as well as sensor- and/or camera-based quality assurance systems. Baumer hhs offers its customers a carefully coordinated portfolio of solutions for a host of different demands on cold-glue and hot-melt application in automated production environments, including application heads, pumps, pressure vessels, control and monitoring systems. The portfolio is rounded off by a comprehensive range of services, from consulting and the testing of innovative applications at the hhs solution center in Krefeld, all the way to every form of after-sales service.

Applications for Baumer hhs solutions include the production of packaging and envelopes, printing and print finishing, the wood industry and special-purpose machines.

For more information on the Baumer hhs company, its products and its services, go to: [www.baumerhhs.com](http://www.baumerhhs.com).
